Worked in avionics engineering at Collins, Honeywell, and Lockheed Martin. Ham radio activities include: Black Hills ARC membership, HF nets, homebrewing, & boat anchor restoration. Other interests: book collecting, private pilot, classic Mustang owner, piano and classical guitar.

Name & call  
will appear in  
**bold**

This much  
text is good,  
to 100 or so  
words

Don't worry about font size,  
etc. We will re-format the .txt  
files for consistency.

The directory will be  
printed in 2-column  
format

This is a good sized  
photo.

- I cut this photo out of a scanned 5 x 7 35mm color print. Notice that the resolution is not very good. It would be better to have a full sized photo, at full resolution, then I can shrink to this size for printing
- For those receiving this in the mail: I got your address from the FCC / QRZ / ARRL data base. Your address must be correct.
- For those receiving this at a club meeting, etc: We will print out the electronic data base after 1 Jan 05 for inclusion in the directory. Please verify and /or update the FCC data base with your correct QTH prior to 1 Jan 05.

Thank you !

Scott Rausch
